

15:35:34 From Peiyou : 10 minutes left for Andre.  
15:38:50 From Yuki : I thought qin music didn't really have set rhythm  
15:40:15 From Peiyou : 5 minutes left for Andre.  
15:44:41 From Mandy S : i would love it if someone gathered up all the ancient wenzipu and presented it on here.... how cool would that be... 🌟 😊  
15:49:14 From André Ribeiro : Would be great! I loved!  
15:54:48 From André Ribeiro : João, what's the plugin's name you mentioned?  
16:03:37 From Esmie : beautiful :)  
16:27:19 From Peiyou : 3 minutes left for Juni.  
16:29:06 From André Ribeiro : I was once told: "there are things you can only learn by teaching others, becoming a teacher!"  
16:30:50 From Juni Yeung : the most precious lesson for me is to collect, iterate, and promote effective ways of learning  
16:31:07 From Marilyn 王妙蓮 : Well said, André, thank you.  
16:32:13 From André Ribeiro : ❤️  
16:36:57 From Mandy S : that was amazing Pei  
16:38:17 From Mandy S : that was.... so unusual and time - suspending music 🍷  
16:48:31 From Mandy S : he.... composed Godzilla!? always thought that person was a genius: that record slowed down or something. 🤖  
16:54:23 From João Oliveira : If you are interested in the qinpu microsoft words plugin that I tried (without success), it's this one:

16:57:05 From Juni Yeung : guangling shenqi is the program that my book used to process and output qinpu, i wrote extensively on it  
16:57:20 From Juni Yeung : i also programmed most of the used characters in that database  
17:00:15 From André Ribeiro : Thank you, Juni! I'll search it.  
17:08:38 From Ralph Knag :

17:08:58 From Marilyn 王妙蓮 : Thanks, Ralph.  
17:12:21 From eve shebang : Thanks everybody! See ya soon!  
17:13:15 From Mandy S : eve, that was a great talk.... 🍷 🍷 🍷  
17:17:18 From Peiyou : Chinese painting, Taichi and The Chinese 4

arts, should be always keep in the qin music study as well.

17:19:16 From André Ribeiro : Some qin colleagues says that can be include the flower arrangements and incense

17:22:44 From Marilyn 王妙蓮 : Yes, cultivation includes not only the “four arts” qin, “chess”, calligraphy, painting, as well as incense, tea, flower arranging, archery, as well as knowing how these are produced, such as qin making, paper, ink, brush making, maybe even making archery and arrow heads. It’s an endless world of artisanal drafts. How about adding cuisine, food to it, too? Endless roads to cultivate !!

17:23:15 From Marilyn 王妙蓮 : Artisanal CRAFTS.

17:28:45 From Mambo! : Please do put it all online!!!

17:29:39 From Yuki : bilibili

17:29:49 From André Ribeiro : bilibili
